

PORTERVILLE (UP)—The Saturday night bath will be "just a memory" for high school students here next term. Every student will be required to take a bath daily.

COLUSA (UP)—Sixteen turkey eggs were placed under a turkey hen at the W. H. Ash ranch—and 18 turkeys hatched out. How? The hen laid two eggs in her spare time.

EIGHT YEARS AGO IN TORRANCE

As Told by the Files of This Paper

Last Saturday the Union Tool boys proved that they had one of the best, if not the best, semi-pro teams in Southern California when they took the fast Calpoco Paint team in camp by a score of 5 to 1.

Boxing and wrestling bouts staged by the American Legion boys are proving to be mighty popular.

Taxes Collected This Year Highest In County History

Taxes paid by Los Angeles County property owners for the fiscal year of 1929-30 totaled \$153,103,786—the largest amount in the county's history—it was disclosed Monday by Tax Collector W. O. Welch.

The assessed valuation of the county was placed at approximately four billion, which at the current tax rate, it was estimated, would yield \$130,780,060, which makes a delinquency of \$7,576,274 or 5.87 per cent. Last year of the \$117,264,400 assessed, 4.29 per cent was delinquent.

All who failed to pay their taxes by April 28 were declared delinquent and will make up the delinquency list to be published on June 8. Taxpayers on this list will be given until June 30 to redeem their property by paying the back taxes, plus a 5 per cent penalty and 50 cents in costs. Property not paid up by June 30 will automatically revert to the state for immediate sale.

LONG BEACH (UP)—"Fire's out!" quoth Ruth A. Burton, San Pedro police stenographer, when her husband, a Long Beach fireman, threw water on her. She sued for divorce and got it.

NEWS AND NONSENSE IN THE P. E. SHOPS

Edited by Carleton B. Bell

George Allen, the only rival at golf that Bobby Jones has in the P. E. Shops, has returned to work after being absent on account of illness for almost two months. It is hoped that his illness has not had too much effect on his form with the clubs and little white balls.

Mr. Cussick has been much cheered by the visits of his old friends. He is feeling better of late and would be glad to have any of the P. E. folks that can drop in for a little visit with him.

The home of E. F. Scallan was saddened last Friday morning by the death of his father who has been living with him for some time. Mr. Scallan left Saturday for Minneapolis, taking his father's body with him for burial there.

Much interest is being displayed throughout the shops in the recently announced P. E. Club Flower Show to be held at the club in Los Angeles, June 25 and 26. Classes will be available for all

kind of flowers and entry will be open to all employees and their families. If had forgot to tell you about it just call me up and I'll see that entry blanks and full information is sent to you.

Claud R. Grammer returned to work last Monday morning after extended absence. His family is still in Dutton, Ark.

Nurse Cummins was late to work a few mornings ago and gave a very unique excuse for his tardiness. He claimed it was this way: He arrived at the P. E. Station in Los Angeles at the usual time and found the usual, met and started to talk with a charming lady. The subject on this particular occasion was Philippine independence and the conversation waxed so warm that the Torrance car came and went and neither of them noticed it. I failed to find out which side of the question Nurse was on but either way it was pretty good.

Improvements are constantly being made on shop equipment. One of the latest improvements is a cart on one of the Store delivery carts to keep it from running away from the boys when going down the incline to the Store basement. Roy Conner now comes forward with a suggestion which will be much cheaper to carry out and ought to give just as good results. Roy's suggestion is that all the boys working on these carts be equipped with bracing straps.

George A. Stevens and Joseph Hardesty followed the example of President Hoover and Prime Minister Baldwin when they wished to hold an important conference and settle great questions for the benefit of all. They too went fishing but near Catalina instead of in the Virginia hills. All went well except for Steve getting sea sick and was not able to hold up his end of the arguments. (Steve denies this.) One thing all agree on and that is that the 26 pound white sea bass that Steve caught was a beauty.

Eyebrows and Lashes Come 'Extra' if Dyed

The special service of eyebrow and eyelash dyeing comes extra and is not included in the charge for marceling, as was erroneously reported in this paper last week in a story concerning the Ed Tansley Beauty and Barber Shop, 1528 Cabrillo avenue. However, a shampoo and finger-wave is given by this shop without charge, as arter-care with permanent waves. All work is under the personal supervision of Mrs. Frances Tansley and Mrs. Georgia Wheaton.

So This Is Hades

FRESNO, Calif. (UP)—One mother here was perfectly frank when she made out the census schedule for her family. After the name of her 3-year-old son in the column designation occupation she placed the word "devilry."

WATSONVILLE (UP)—A lot of wine-bibbers lost their thirst when they learned of a court fight between Peter deSoto and Charles Podio. Podio was hired to tramp grape juice out with his bare feet, and claims he wasn't paid. A fist fight ensued.

MERCED (UP)—When Joe Chaung, Chinese cook, lost money in a Chinatown gambling house it didn't bother him at all. But when he went broke investing in stocks he committed suicide.
